

## UPM RAFLATAC STICKER BANK

[www.upmraflatac.com/stickerbank](http://www.upmraflatac.com/stickerbank)

### Idea 5: Royal Sandwich package

#### Description:

Self-adhesive laminate labels on sandwich boxes. Labels are offset printed and hot foil stamped to achieve an appealing look. After the labels have been printed and cut into A4 sheets, a laser printer is used to print the product details, the best before date and the maker's name.

#### Raflatac product:

Face material:

Data

Adhesive:

SP 34 Greentac Plus

Backing paper:

Kraft Special 90

Printing method:

Offset and hot foil stamp
