For orders < 5,000 msi, a flat freight rate of \$75 will be applied to the order.

For orders ≥ 5,000 msi, the freight zone rates from the table will be applied per msi.

Important: If multiple orders are placed throughout the day, those orders are combined as long as they have the same delivery date and same delivery address.

If the order is shipped short, the fees are not affected; they are applied at the time of shipping according to the way they were ordered.
